# Scenic Driving Georgia (Scenic Driving Series)

## Synopsis

Scenic Driving Georgia covers twenty-nine spectacular drives through the "Jewel of the South." Savor Georgia's beautiful landscapes from its Coastal Plain (including coastal islands, salt marshes, and orchards of pecans and peaches) to Chattahoochee National Forest and the North Georgia mountains. Throughout the state, history buffs will want to slow down for the Revolutionary and Civil War sites, and natural historians will delight in Georgia's scenic lands and waters. Scenic Driving Georgia provides comprehensive route descriptions, including travel information on camping, services, best seasons, special attractions, and historical points of interest. Detailed maps and black-and-white photos complement each drive description. Also included are eight pages of stunning color photos.

## Customer Reviews

Twenty-nine drives savor Georgia's beautiful landscapes from its Coastal Plain (including coastal islands, salt marshes, and orchards of pecans and peaches) to Chattahoochee National Forest and the North Georgia mountains.

The reason I'm giving this book a 2 is because almost all these drives I could find just by searching the internet. I have found around 10 drives that I happened to stumble across that are much better drives and they are not even mentioned. A few of the drives in the book are horrible. I wouldn't even call them a scenic drive. While the book does cover a wide range across the state, it really misses

some key areas such as Pine Mountain, for example. I don't think I would recommend this book. Either do your own research online or venture out on your own.

Very good.

The Falcon series have been a great resource good us over the years. Their availability via at a good price is great.

good and informative book
