Doomsday Prepper's List - Edible And Medicinal Plants

Synopsis

Our prepper's lists have your money concerns in mind as well as practical information that may save your life or the lives of your family during an emergency situation. We don't just tell you to start stock-piling food- we show you what to store without wasting space or money. We don't just tell you to buy a water purifier- we show you how to get water from nature.

Customer Reviews

This would have been so much more informative with color pics. Otherwise useless. Glad I didn't pay for it. Some good info on some already known plants tho
