Sweet As Sin (Bad Habit Book 1)

Synopsis

Inside a drop-dead sexy, hard-partying rock star lies a good heart...and a dark secret. Twenty-something Kat Reid is loving life as an in-demand Hollywood makeup artist. She has absolutely no interest in rock 'n' roll, but in order to pay the mortgage, she agrees to work on the set of a rock video for the world-famous rockers known as Bad Habit...which brings her face-to-face with Nico Nyx, lead singer of Bad Habit and Adonis in the flesh. However, the fiercely independent Kat isn't impressed by the hard-living, womanizing rock star. But when Nico's model girlfriend shows up to the set drunk and Kat is tapped to replace her as the video's sexy bride, her combustible chemistry with Nico suddenly threatens to consume the set. Nico feels it, too--and becomes determined to win Kat over, body and soul. Yet behind his rock god swagger, Nico hides a dark secret. Can he rock Kat's world forever, or will he just break her heart?

Customer Reviews

Prepare for one heck of a ride when you read Kat and Nico's story. Nico is the lead singer of the band Bad Habit! A seriously sexy man with a troubled past. Rumor and the tabloids have it that he is deeply involved with a certain super model named Avery Kane. Enter Kat, extraordinary make up

artist to the stars. She is a feisty piece of work who quickly puts Nico in his place and defends Avery in the process. Kat ends up stepping in for a video scene for the band and then Nico wants to see her again. The book is fraught with insecurities, tantrums from Nico and Baggage that puts their love to the test. Kat's friends keep you laughing. Grace the therapist with her blunt and often crass way of speaking, and Chloe the florist who is a sweet of a girl. I highly recommend this book.

Originally Reviewed For: Tea and Book J.T. Gessinger starts off her new series Bad Habits, with a bit of Sex, Drugs and Rock and Roll.. and more than a little intense romance. Kat Reid has a pretty good life. An excellent reputation as a make up artist, good friends and her own home in LA.. Then she's drawn into an entirely different world when she goes to a typical make up job, only to become the star of the video.. It seems the model/actress that was hired is too doped up to keep going and the lead singer has fallen for Kat. He wants her so of course he gets her.. only he wants her for more than the video and Kat? She's not so sure. Nico Nyx came out of nowhere and became a star. His talent is fast becoming legendary and his looks? Let's just say, I see panties strewn across any stage he is on. But he has a dark and dangerous past, one that drags him down on a regular basis. None of that matters when he see Kat Reid, somehow he knows, she's it. Only she doesn't seem the least bit interested. How can Nico overcome his reputation and make Kat take him seriously? Ms. Gessinger tells a dark and troubled romance and folks, this is not a pretty story. There is so much dysfunction going on it's scary. But it works.. this story worked because these two characters were so flawed, they have that Heathcliffe and Cathy thing going on, sort of.. You know where they are thoroughly unlikable characters but you keep reading about them?? Except.. Kat and Nico aren't that dis-likable. They have potential.. It's a tug of war of emotions. A dark and sinister past plays into Nico and Kat's chance of love and both of them have to step out and really trust in the other. As I read this book, I kept thinking I wasn't liking it. It disturbed me but I kept going because I had no choice. Ms. Gessinger pulled me in and I wept for these two. Now? I am waiting not very patiently for book two. This books gets 5 stars.. why? Because as dark and disturbing as it was, I believed! Shauni This review is based on the ARC of Sweet as Sin, provided by netgalley

Sweet as Sin was an incredible start to this series. I have never read anything by author J.T. Geissinger. I surely will now. Nico is a musician, too hot for this world, but something in him breaks when he sees Kat. This was quite a page turner with passion, suspense and a deep need to quickly dive into the next installment of Bad Habits series. I recommend this series if you like rock star romance, suspense and heat packed with a punch.

I do not want to give away spoilers, but this was one of the best rollercoaster rides I've ever been on. If you like romance charged with witty characters and suspense then this is the book for you. I can't wait for the next one!

This is the first book I have read of Ms Geissinger's and I have to say it will not be my last, as a matter of fact my next book of hers is already waiting on me. This book is motorboat . At one spot my husband asked if I was ok said he couldn't hear the tv with all that panting going on.LOI. Good Good Good!

Oh wow! I really loved this book. This is the first book I've read by this author but I'll be checking out her other work. And I will definitely be looking for book 2 in this series! I love the characters in this book! Of course who wouldn't love Nico?! And Kat is really cool and feisty. But boy did they have a ton of secrets between them! You need to read the book to see if they could survive it all. I don't like to give away any spoilers. Great book. Great author.

This book was one of the best I have listened to in a long long time Kat and Nico are explosive together There relationship is such a hurricane of tossing and turning emotions Expect the unexpected and be ready to enter the world of rock and roll Your in for the ride of your life Five stars is not enough

Ohhhh Nico is sooo hot, a grest book bf. He is a rockstar and the best is there are no cheating, no cliffhanger and hea. I just love the connection between Nico and Kat. You see how much Nico cared for Kat. Things with Avery isent what it seems to be. Nico had a bad childhood They both have baggage but they fight through it. There are funny,sad,happy,dirty talking moments. Just love alpha Nico. The thing with Avery was a big surprise but when the story about her and nico it was heartbreaking. Not gonna tell who or what Avery means to Nico that you have to find out when u read the book.... I had my doubts between her and Nico so I was glad when the truth came out. Can't wait for next book if there is one. Would love to see a book story about a.j nicos band mate and Chloe kats best friend. Definitely worth a read ;)) this is one of my fav.
