Fodor's Walt Disney World With Kids 2013: With Universal Orlando, SeaWorld & Aquatica (Travel Guide)

Synopsis

For generations, Americans have come to play and dream in Orlando. Whether you want to wander the halls of Hogwarts or dine with Cinderella, Fodor's Walt Disney World provides everything you need to know. Color photos and features highlight the best of the theme parks, area hotels and restaurants, golf courses and spas, and Tampa/St. Pete. **Expanded Coverage:** Orlando is always changing, and this edition captures the newest rides and attractions, as well as area restaurants and hotels, for Disney, Universal, and SeaWorld. **Illustrated Features:** Magazine-style features help readers customize trips to meet their needs. Schedule a dinner date with Mickey or plan your escape to a luxurious spa. Go behind the scenes at Universal, see the stars at the Kennedy Space Center, or see your favorite baseball stars at a spring-training camp. **Indispensable Trip Planning Tools:** An entire chapter devoted to "Planning an Orlando Vacation" includes comprehensive ticket price charts, advice for those traveling in groups both large and small, tips on skipping lines in the parks, budget schedules, and much more. The major theme parks and all the "lands" and "worlds" feature their own sections with ride recommendations by age, info on height restrictions, and maps that make it easy to explore. **Discerning Recommendations:** Fodor's Walt Disney World offers savvy advice and recommendations from local writers to help travelers make the most of their time. Fodor's Choice designates our best picks, from hotels to nightlife. "Word of Mouth" quotes from fellow travelers provide valuable insights. **PULLOUT MAP:** A handy take-along map provides added value, giving travelers essential information about top attractions and nearby dining so they can travel with confidence. **TripAdvisor Reviews:** Our experts' hotel selections are reinforced by the latest customer feedback from TripAdvisor. Travelers can book their Orlando stay with confidence, as only the best properties make the cut.

I have been using Kim Wright Wiley's guidebooks since our very first trip to Disney in 1995. Because of her advice and knowledge of the parks and Disney in general, we have always been able to get the most out of our visits. Since we hadn't been to WDW in over 6 years, I bought this updated version (even though our kids are now grown) to see what had changed. Kim has a friendly, funny style of writing, the book is well-organized and there is not an information overload. Parents with several young children don't have time to check out dozens and dozens of weblinks, and this book tells you what you need to know without having to research it yourself. Follow her advice and your family will really enjoy Disney!

Well organized info with great simple tips. Other books I've checked out of the library had a great deal of "extra info." This book presents info in such a way that I don't have to skim through wordiness to find the info that I need. Our trip is planned for the end of this month. This book was really helpful in making the big decisions...lodging, dining, and park tickets. Highly recommend it.

Having been to Disney World a couple times with no thought of returning, a grandchildren trip was planned and I decided to do some preparation. This book explained how all age groups could get

the most out of the trip in such an informative and inviting way I began looking forward to the trip.

I really like the layout of the book. It's easy to follow and easy to look things up. The information is very usefully. I would recommend this book for adults too. I am very happy with this book.

I like the kindle version. I could bookmark helpful sections and go back and refer. The table of Contents was navigable, which was helpful. The information helped make our trip more enjoyable.

a must have if you have been or going again. has lots of tips and clues for the pirate and princess in your family. these parks are so big and awesome that it is a must to preplan.

I felt like this really got into all the details I was unsure of. I have been to Disney before but never with kids- this really covered a lot of my questions!!

This book is very helpful in planning our Disney World trip. We are taking our granddaughters with us in Oct. 2013. They are 6 & 4.
