My mom loves to color so I bought this for her. Some of the pictures have really intricate designs

that look hard to color. every picture in this book is hilarious

I've received so many compliments on the beautiful art work I've created out of this book. I am going to be looking for additional versions of it when I finish this one!

Bought this as a joke present and doubt the recipient will even bother to colour it (I hope he does though!) but just looking through it gave me lots of laughs! I know the recipient will find it funny when he gets it.

OMG this was the BIGGEST hit at mom's 75th birthday!! Everyone had a good laugh! I think she'll color them too! LOL

LOOOOOVE THIS! Perfect birthday gift for a friend with loads of humor... & whom is also creative so awesome!

Hilarious. Got for my best friend to destress and she loves it.
