Coaching Volleyball: A Survival Guide For Your First Season

Synopsis

Whether you're new to coaching or new to volleyball, there's something in this eBook for you! Contrary to what you might think, preparation for the season begins long before tryouts. In this book, you identify your coaching philosophy, learn how to plan a great practice, are taught how to use stats to improve your team's performance, and so much more. Does this book have drills? No. There are tons of free drills online to get you through your first season. But this eBook will teach you how to manage your team, which can make or break a season.

Customer Reviews

Great supplemental reading! I liked her large amount of examples and personal experiences. I wouldn't have thought about half the concepts covered here!
