The colors are decent and clarity's very good. Included are: VITRUVIAN MAN LAST SUPPER (DETAIL) BACCHUS SELF PORTRAIT PORTRAIT OF MUSICIAN WOMAN WITH ERMINE ANUNCIATION (DETAIL) But there's pixelation on the edge of some pics and one sticker's cut crooked. Cute little gift for art lovers or a frugal way to make free shipping limit. Not worth keeping for myself. With a coupon and some diligence ... I can buy prettier and more adhesive stickers at a brick-and-mortar store for similar price

LOVE these little masterpieces! I originally bought them because I like to send letters to people but find that the glue used on envelopes does not seal well (regardless of brand) and use these to seal the back. Upon receiving them I HAD to keep my favorites (yet, I don't know what I'll use them for yet!) Whether letter lover, art lover you'll find that these are little gems. I also think that they would make a good gift idea for young ones because all of these artists sticker packages shows the most popular works and names.

Tiny masterpieces! These stickers are wonderful little works of art - each is 1 1/2-inch by 2-inch, 4 on each page. The size is perfect for many uses. They work well on notes, calendars and are great for teaching children about art or for them to use on notes to their teacher or for play. They would also work well in dollhouses, I would think. I think they're sturdy, well-made and quite versatile.

Very cute, and lovely for my journals.

Fun. Love Dover products. Have been buying Dover since my kids were little. Now, my Grandchildren love these too. Certainly can't beat the price.

Beautiful. As advertised.

perfect!
