The Journey (Abundant Life Book 3)

Synopsis

Melissa and Allie are as opposite as two friends can be. Now in their third year of high school, life is becoming more complicated every day, and changes they can't foresee are on the horizon. Can they ride the waves of uncertainty, and what new friends will enter their world to help them find their way? Kara is growing weary of unfulfilled hopes, her parents' divorce, and her mother's constant nagging. Is there anything new under the sun? And Chelsea's recent move to a new city has proved to be less than ideal on so many levels. She's ready to graduate and get on with life, but will someone unexpected come to walk by her side on The Journey?*

The Journey is the third book in the Abundant Life series. Books in this series may be read in any order and are recommended for teen and college-age readers. Melanie Wilber is the author of the Seeking Heart series for teen girls, the Heaven in my Heart and True Friendship series for pre and early teens, and the Pure in Heart and Garden of Love series for older teens and college-age readers. She also authors several devotional books and other independent novels.
