Customer Reviews

Get wet in the Chiriquí Viejo River, known for its challenging rapids and exuberant scenery. See chapter 9. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Jisel Perilla has written about, lived in, and traveled throughout much of Latin America, where she makes her living as a freelance writer. She currently resides in Bogotá, Colombia, and writes about Latin America for www.latinworld.com and other publications. You can read her personal travel blog at www.anomadlife.wordpress.com. Jisel also is the author of the Colombia chapter in Frommer's South America.

I have always liked Frommer's Guides, going back to my first trip as an adult, to California, in 1980. They are my go to guide for all things about the place one is visiting

The book was very helpful, liked the way the information was presented; just wish we had a more recent edition. Have already loaned the book to a friend who is planning a trip of their own.

I bought this book and 4 others to prepare for a cruise. This had a lot of good information but we didn't have the time to really take advantage of it since we didn't have the time in port. I have bought Frommers for other places and have been pleased with the insights.

Goodpp

The book arrived in time to help us plan our trip. It really helped us make decisions about what to do and what not to do. The book really helped make our trip a success.

I think the informations were too old, a lot has happened since the book was written. Also it is difficult to find the information you want, Lonely planet is better.

you can found more information on internet than the guide but the maps and some basic information are helpful when you are not with conection

I enjoyed the first few chapters that gives an overview and lots of tips. well organized and has some good maps for ideas in panama city.
