God's Way To Ultimate Health: A Common Sense Guide For Eliminating Sickness Through Nutrition

Synopsis

God's Way to Ultimate Health offers a powerful and timely reminder of the diet God originally provided for mankind, and shows how far we have strayed from God's plan. This book shows how we can regain our health simply by returning to the diet and lifestyle God originally planned for us. God's Way to Ultimate Health teaches health from a Biblical perspective.

This book shows how we can regain our health simply by returning to the diet and lifestyle God originally planned for us. God's Way to Ultimate Health teaches health from a Biblical perspective.

Excellent product. I only buy this way now for almost everything!

I'm sure this book was great when it was written but there is new information and research that shows new conclusions regarding a raw vegan diet. This book assumes God wants us to eat that way because it assumes that is how Adam and Eve ate.

Excellent book

Contains very useful diet information and way of living healthy.

Learn from the Creator! This book is a real treasure in that the price paid was about one third of the original price! For people who wish to learn how to keep healthy, and lose weight. Our society needs to get away from fast foods!

Great book!

very interesting - everyone is different but our bodies all crave good food.

Lot's of good info in the book. I'm mostly reading it for the facts, tips and just great info. There are lots of ideas on how to eat. I don't necessarily agree with all that is said concerning the Bible...but that is not why I'm reading it.
