Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Not what I expected. Music sounds like karaoke. I was expecting more of an orchestra sound. That is not what the CD sounds like. Worst of all, the play list and the track do not match. The list is all scrambled. I shop regularly on . This is my first complaint.

Nice collection of tunes, may be too advanced for the beginner
