Customer Reviews

Ã¢ “IÃ¢ ¸m grateful for JasmineÃ¢ ¸s attention to the mind, as well as the body. I came to yoga following an injury and approached the mat like an active volcano, terrified I'd hurt myself again. Her practical suggestions are great for creating a practice that supports our individual needs and our impossible schedules, and her attention to Seva, or Ã¢ ¸selfless service,Ã¢ ¸ is both an inspiration and a challenge to our lives on and off the mat.Ã¢ “Megan Stielstra, author of Once I Was CoolÃ¢ “Yoga works best when it is tailored to each personÃ¢ ¸s individuality. In the Yoga Body & Mind Handbook, Jasmine honors this need by offering the kind of personalization and guidance that respects each reader's specific abilities.Ã¢ “Mark Whitwell, Master Yoga Teacher and author of The Promise and Yoga of HeartÃ¢ “Jasmine presents a full introduction to yogaÃ¢ ¸ perfect for beginning students as she outlines poses and sequences in a clear and accessible way. She explains the deeper foundations of the practice including breathing and meditation techniques, Ayurveda, and yoga philosophy. Jasmine also encourages readers to contemplate ways to take yoga off the mat to benefit the communityÃ¢ ¸ a true gift of the yoga practice.Ã¢ “Renee LaRose, senior event manager at Yoga JournalÃ¢ “Jasmine Tarkeshi has so much unique hands-on experience working with yoga practitioners. As the co-founder of Laughing Lotus Studios, Jasmine is one of the leading voices in the sophisticated San Francisco yoga scene, where she is loved. Her book is a timely and contemporary reflection of her life's mission: to share the sacred wisdom of this ancient healing practice.Ã¢ “Rob Sidon, publisher of Common Ground Magazine

Great book for beginners

Great book!

Jasmine Tarkeshi's book is a finely thought out handbook for anyone interested in yoga. You can be a new yogi or a grizzled old timer (this reviewer) who has been practicing for decades. Her love of yoga and life are apparent from the first page to the last. Her writing is easy to understand and insightful. For Jasmine, yoga is a way of life; it is much more than the postures. The book explains the postures, breathing, meditation and how to incorporate all this into your life on a daily basis. Fully illustrated with detailed drawings which I found extremely helpful. Jasmine is a wonderful guide. This book should be in everyone's collection.

My daughter just gifted me this wonderful book to help me build a better foundation to my practice. The author's creative sequencing and heartfelt language is uniquely encouraging. Striving to find compassion in all aspects of my life, this is definitely steering me the right direction.

Helpful tool!
