This is a cute book full of cute animals. My son loves the touch and feel books and this one was no

exception. It does have textured fur and textured paper. The textured paper is not my favorite but my son does not seem to share my opinion on that. If the baby is happy, I am happy.

I thought it would have more "feel" on the pages. Some pages had nothing to feel. But the price was good for what it is.

My one-year old granddaughter loves this book - especially because of the touch and feel. We like it because it is easy for her to carry around and look at because of the hard pages.

Pretty good. Would have liked more variation in touchable items.

Cute but the touch and feel is tiny amounts only on one side and repeated textures- get another book this one is cheap. The dinosaur one is much better quality

Very cute book for my 15 month old girl! We read it every night!!

Very nice book the pages are bright and most of the pictures have lots of soft fluffy fur we like the baby pig and his soft skin. love the book is soft not hard board book.

Great Book
