A Guide To Haunted New England: Tales From Mount Washington To The Newport Cliffs (Haunted America)

Synopsis

Visitors and New England natives alike will see a new side of the region through Thomas D'Agostino's road trip guidebook. He captures the reader's imagination with folklore and anecdotes, plus recommendations useful for any traveler. This guide uncovers lingering spirits across all six states in the region, from the victims of alchemy gone awry in the White Mountains, to wraiths in the Berkshires, to the ghosts of drowned sailors in Mystic, Connecticut. Enjoy these retellings of classic New England ghost stories and discover obscure ones, and then go visit the spooky sights for yourself.

Customer Reviews

Thomas D'Agostino has been extensively studying and investigating paranormal accounts for over twenty-seven years. Creator of several books with his wife, Arlene Nicholson, together they have penned and captured on film the best haunts and history New England has to offer. The duo co-organized the Paranormal United Research Society, a coalition that includes some of the best paranormal researchers in New England and beyond. Tom has also written accounts of haunted places throughout New England for the International Ghost Hunters Society, [HauntedPlaces.com](#), [Shadowlands.com](#) and [Ghosttowns.com](#).

This is a very interesting book about the paranormal. It has some very interesting stories. I highly suggest you buy this book if you are going to visit the New England states. It also contains an

interesting story about the House of the Seven Gables.

Had some interesting information as far as historic details of the various areas. Cleverly interwoven with the paranormal activity associated with those locals.

Great book and I'm so glad to be able to purchase this! Now I can go through and plan my next year's Halloween adventures, if I'm daring enough!

It was a gift.

I am a New Englander and like haunted stories about the place. I liked the book. It was easy reading.

I have read this book from front to back 3 times since I have purchased it. The book is very informative to our surroundings which I didn't know about. The writing attracts your attention and won't let you escape from the reading. I hope Mr. D'Agostino keeps writing books like these, because I will gladly buy all of them. Thank you for such a wonderful book.

A very good read that was checked out of my local library. A pretty good guide to some widely scattered ghost stories. Best to check with local "ghost tour" operators at any given location. Enjoyed this as a casual read.

Ghost stories are fun which is why so many of us enjoy reading them. All this book consists of is historical tales two and three times told. There is nothing interesting or new in any of it. Most of the stuff is listed almost verbatim from the New England Ghost files. Please do yourself a favor and read that or Passing Strange as they are much more fun.
