The Masonic Initiate: A Guide To Light

Synopsis

The Fraternity of Freemasonry supplies the necessary resources, that when properly applied, can assist a man in bettering himself not only mentally and physically, but also spiritually. In an attempt to revive the interest, within the Fraternity, of the practical applications of the deeper spiritual lessons provided within the degrees, "The Masonic Initiate - A Guide to Light" confirms for every Brother that his Fraternity is furnished with the necessary tools to erect his spiritual temple. This book provides a foundation to begin the "journey of the soul" through the manifestation of the teachings of the degrees of Freemasonry. This book focuses on the Entered Apprentice degree of Freemasonry, covering its symbolism, forms and ceremonies. It takes the lessons and symbols of the first degree of Freemasonry, and reveals content that can be applied through both traditional and contemporary forms of spiritual development. This book gives a fresh perspective; it links spiritual practices, like visualization and meditation, to the teachings of Freemasonry. "The Masonic Initiate - A Guide to Light" can be beneficial for the youngest member of the Fraternity, as it attempts to clarify the nature of the forms and ceremonies of his degree, and shed Light on what it means to be "initiated." At the same time, it offers a fresh perspective on some of the symbols and ceremonies that can be well received, enlightening, and even quite refreshing for the elder Brother.

Customer Reviews

Well written, well laid out. Explains many things in fine detail. I would recommend this book for anyone about to enter the Brotherhood.

Very easy to read and the author explains himself very well. I thoroughly enjoyed this read and will recommend it to others.

A very good book for new as well as older brothers to read and learn to Improved themselves

The book read very well and the section on meditation was very enlightening. It makes me wonder could this become part of a lodge meeting as a way to peer into ourselves.

Great book, especially for candidates or those recently initiated!

An excellent book regarding the importance of the work related to any new entered apprentice!

Do you really want to know why your Lodge attendance is so low? This is one book you need to read.

A great read for any new initiate and beyond. I have added it to my collection of great masonic reads.
