Mr. Brown Can Moo! Can You? (Bright & Early Books(R))

Synopsis

Kids will love this noise-filled Bright and Early Book classic from the one and only Dr. Seuss! Mr. Brown is a sound-making wonder! He can hoo hoo like an owl and buzz buzz like a bee. It is so much fun to make noises that you hear every day, like moo and tick-tock. But stranger sounds are fun to make, too . . . like the pip of a goldfish kiss and the grum grum of a hippo chewing gum. Encouraging imaginative play while learning to read, Mr. Brown Can Moo! Can You? will keep kids laughing (when they're not tick-tocking). Combining brief and funny stories, easy words, catchy rhythm, and lively illustrations, Bright and Early Books are an ideal way to introduce the joys of reading to children. From the Hardcover edition.

Customer Reviews

Love this book! This is the second one we have bought because we wore out our first. This has a very easy flow to the read. Lots of "sound-words" that my toddlers love to hear. I love this one from Dr. Seuss so much that I would even purchase it a third time if need be.

This is a short, but cute book. My daughter is 13 months and LOVES books. She always wants us to read to her, and the board books are the best way to have her involved, as well. She gets a little

testy when you don't let her turn the page on a book and, at her age, board books provide her with that opportunity without mom & dad worrying she's going to rip the pages. The story itself is simple, and calls for your child to repeat various animal sounds. Our daughter is just beginning to repeat the sounds, so it's mainly to get her to associate each animal with their sound right now. This is a simple book, with animals, word/sound association and it encourages reading. I think it's wonderful.

Another great book from Dr. Seuss. The thing I love most is the size - easy to bring in the diaper bag, and the bright colors. The story and words are fun but it's also fun to be able to throw it in my purse :)!

This is our 2nd favorite book (1st favorite being chugga chugga choo choo). Typical Dr Seuss rhymes, but NO made up words that are difficult to pronounce (yay). Great text & illustrations; my daughter (almost 2) tries to say [most of] the sounds as we go along. Definitely on my list of books good enough to gift!

Exactly as described. Cute book. Lots of fun for my kids to read as they love doing all the sound effects that Mr Brown can do!

My 2 year old loves this book. He loves all the goofy sounds that comes with reading the book. It is a fun read.

I guess I didn't pay enough attention to the product description. In case anyone else misunderstands like I did, this is not a regular sized book. It is a compact version. I wouldn't have bought it if I'd noticed that

my daughter loves this book! she first fell in love with it when she was 10 months old and now will keep grabbing it for me to read over and over. She especially loves the rain part and dances when it comes up
