# Cycling Hawaii (Bicycle Books)

## Synopsis

Hawaii has a great appeal for cyclists, offering exotic scenery and an ideal climate. A day's ride in Hawaii can lead a cyclist past deserts, rain forests, volcanoes and a stunning shoreline. This cycling tour guide provides directions for touring routes on all the main Hawaiian islands: Maui, Moloka'i, Lana'i, Hawaii, Kauai and Oahu. The author covers getting to Hawaii and getting around, visas and what to bring, environmental conditions, politics and language. He examines the advantages and disadvantages of taking your own bike or renting one locally, and discusses repairs. There are 50 two-colour route maps and 27 cycle tours involving modest distances and beautiful scenery. The guide also looks at how to make short cycling tours part of a non-cycling holiday.

## Book Information

Series: Bicycle Books

Paperback: 224 pages

Publisher: Motorbooks Intl (November 1997)

Language: English

ISBN-10: 0933201850

ISBN-13: 978-0933201859

Product Dimensions: 0.8 x 5 x 8.8 inches

Shipping Weight: 12 ounces

Average Customer Review: 4.7 out of 5 stars 2 customer reviews

Best Sellers Rank: #2,473,079 in Books (See Top 100 in Books) #71 in [Books > Travel > United States > Hawaii > General](#) #927 in [Books > Sports & Outdoors > Individual Sports > Cycling > Excursion Guides](#) #5191 in [Books > Travel > United States > West > Pacific](#)

## Customer Reviews

My son found it great. He is an avid cyclist.

This book provides excellent information about every major paved road in Hawaii, including elevation profiles. I found it invaluable in planning my tours of the islands. I wish every state had books that covered them this well. The only (minor) shortcoming was that the listing of inexpensive motels/B&Bs was incomplete, a gap which was easily filled by any of the general tourist books on Hawaii, such as the Lonely Planet guide.
