Customer Reviews

Best Easy Day Hikes Hawaii: Oahu includes concise descriptions and detailed maps for twenty easy-to-follow hikes on the island that is home to Honolulu and Wai-Kiki Beach This Capital Isle is often the place that comes to mind when you think of Hawaii. Discover a landscape of diverse scenery and natural splendors, from the Ko^ola Mountains to Maunawili Falls, and from Makapuu Point to Kalahele Point **Look inside for:** **Twenty-minute strolls to three-hour adventures** **Hikes for everyone, including families** **Mile-by-mile directions and clear trail maps** **Hawaiian language essentials** **GPS coordinates**

Suzanne Swedo, director of W.I.L.D., has backpacked the mountains of every continent. She has led groups into the wilderness for over 25 years and teaches wilderness survival and natural sciences for individuals, schools, universities, museums, and organizations such as Yosemite Association and the Sierra Club. She is author of Hiking the Hawaiian Islands, Best Easy Day Hikes Yosemite National Park, Hiking Yosemite, Hiking California's Golden Trout Wilderness, and

Adventure Travel Tips, all FalconGuides. She lectures and consults about backpacking, botany, and survival on radio and television, as well as in print.

I like the book, but was hoping for inclusion of a longer hikes. There are lots of easy hikes for families. This book has great information, descriptions of hikes, trailheads, distance, time and difficulty as well as whether it's in the sun the whole time or jungle. Definitely recommend it if you want to take some quick hikes on the island.**** UPDATE: We just returned from our trip and this book is wrong about a few hikes, names Maunawili Falls. It is not easy, very muddy, confusing and lack adequate signage. We got turned around and added at least 1 mile to our hike. I was pretty concerned, but luckily there are quite a few hikers to get directions from. The falls is small and not really worth it in our opinion. Wear good boots, do not do this when it has rained recently.

It's been great to whip the book out and pick a new hike each day.

Our GPS didn't quite get us to one of our hikes, but the book did! Honestly, I haven't looked through all of it, but it was very helpful on our vacation.

Has a few recommendations that are helpful, but better suited for those who like paved and short trails. Those who like to bounce around the island to see tourist spots. Had a couple of nice hikes, but not what I expected.

The book is OK on short description of different hikes available, but would have been much more valuable if it included pictures. There are none to show the appeal of the individual areas they list.

Seems like a good hiking guide for Oahu. I won't know til I go I guess.
