Take Two: Above The Line, Book 2

Synopsis

Filmmakers Chase Ryan and Keith Ellison have completed their first feature film, and Hollywood is buzzing with the news. In the wake of that excitement, the producers acquire rights to a novel that has all the ingredients they want for their next project. At the same time they cross paths with a well-connected player who introduces them to the right people, and suddenly every studio in town wants to talk to Chase and Keith. The producers' dreams are on the verge of coming true, but Chase's marriage is strained and Keith's daughter---Andi Ellison---is making questionable choices in her quest for stardom. The producers are gaining respect and are on the verge of truly changing culture through the power of film---but is the change worth the cost? --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

The reason I chose the 3 star rating was that I haven't found this series as riveting as the "First Born series or the Sunset series. I have fallen in love with the Baxters . I feel like they're almost like family. The Above the Line series characters have been harder to get to know. Having said that as I've finished reading book 2 in this series I find myself experiencing a gamut of emotion. From being frightened for Andi's wrong choices & where it will lead to Kelly's refusal to surrender to God. When I look at what is happening in our world I am grieved. Hope in Jesus Christ is always there. It's never too late for redemption! I get so excited about this in real life I want to jump up & down & say "Yay God!!" So guess what? I have to read book 3. I know I will be thrilled with what God will do!

Great Christian fiction

Slow start, easy read.

Love her books

I have both books in this series and have been anxiously waiting for the second one to be printed. I plan on reading them while recovering from surgery. Anything that Karen Kingsbury writes is fantastic. She is a very gifted and talented writer. I have managed to collect all of her books. What a library.

As always, this book was as awesome as all of your books I've read. I really get involved in the characters and their feelings. You really touch the heart of the story and very clearly.

Karen Kingsbury always makes her characters come to life and the Take Two is no different. She has a way of bringing you closer to God and His faithfulness. Karen reminds us that He hears our prayers and answers them. Her characters become family.

Karen Kingsbury is a wonderful author and she makes her characters come to life. I would recommend this series to all that need a closer walk with God.
