Spike Henry: A Little Nudge

Synopsis

Spike Henry: A Little Nudge, is the first book in the inspiring Spike Henry series about kindness toward others. Spike Henry is a very shy little hedgehog. He curls up and hides at the first sign of anything new because new things seem scary. New classrooms, new rules, and even new friends can all be overwhelming. That's why children everywhere love Spike Henry. They root for him to come out of hiding so he can learn to like new things. In Book 1, children learn how a little nudge can make a big difference for them and their friends.

About the Author: Donna Lea, the author of the Spike Henry series, worked with preschool and elementary children for many years. She authored the Spike Henry series to teach children how to help one another and how to overcome scary new things.
