FOR MY BROTHER (Clean Suspense) (Detective Jason Strong Book 3)

Synopsis

5.0 out of 5 stars by Customer "I have read all of his detective mysteries and enjoyed them all." 5.0 out of 5 stars By Rebecca H. on April 20, 2016 "This series has been amazing..." ***** FOR MY BROTHER Can visiting a grave connect us with the dead? What happens when a man believes he can hear his dead brother? Billy Jarvis suffers an untimely death, leaving his little brother Donnie alone with his mother. Donnie believes his dead brother has told him how to make things right, and now Detective Strong is pushed to figure out why people are disappearing. In the third book of the series, Jason is without his regular partner Vanessa Layne and must rely on a new partner to help him solve the mystery. ***** THE FIRST 10 JASON BOOKS IN ONE SET- *AN OVER \$14.00 VALUE - JUST 6.50 <https://www..com/Detective-Strong-Mysteries-SUSPENSE-MYSTERY-ebook/dp/B00UVYSK5M> ***** Get a FREE copy of the ebook "WHERE'S MY SON?" Customer Reviews

I can relax when reading John Dalglish books, knowing I won't have to scan through foul language or heated sex scenes. His writing is to the point without a lot of flourish just to increase page count.

Just finished the third book in this series. Once again I am extremely impressed by the excellent writing by this author. These books are well written and extremely entertaining and not bogged down by useless and unnecessary deviations from the theme of the story. Bottom line this is a great book and a great series. Looking forward to the next one.

I ripped through this book in one sitting and completed the same day. I found it competently written with not a single curse word (good for those not enjoying hard-boiled suspense books) and held my interest throughout. My favorite passage was "His mother's face was drawn, almost gray. Pain welled up in her eyes, and Donnie realized he had seen that look before" which helped set the tone for the book. Given it's quick, satisfying content, I've gone on to download "Silent Justice" as well and am looking forward to reading it, too!

Jason Strong #3 has us following along on a twisted case of revenge, with multiple people disappearing. Enjoyable fast-moving police procedural, with enough action and suspense to keep the reader interested. As much as I enjoyed it though, couple of things that bugged me. First was the fact that the reporter actually did better detective work than our heroes. No Google available at

the police station? The other thing was the use of leaving paper notes on Jason's desk instead of calling or texting him via cellphone. And what's with the use of pagers? I really couldn't tell if this story took place in present day, or 20 yrs ago, as the inconsistencies in the use of technology was baffling. For example, as the story races to the climax, his commanding lieutenant first leaves a paper note to let him know she needs to see him, then later pages him, then finally calls him on his cell phone. Those parts had me scratching my head, which was disappointing since the rest of the story was nicely done. I liked the second book of this series, and feel this one is even better, save for the couple of issues I mentioned above.

This is the 3rd story in the series, but each book has been a stand alone story: each story has been independent of the others. In this story, Billy Jarvis died while he was a senior in high school, leaving behind his mother and his 12 year old brother, Donnie. For 10 years they would visit Billy's grave every Sunday. If the weather was nice, they would stay for hours so Momma could tell Billy everything that happened on her soaps. Of course Momma couldn't hear Billy. Sundays were just her opportunity to stay connected to her older son. Donnie, on the other hand, COULD hear Billy, and they had a plan. And the time to put the plan into action was fast approaching. Donnie wanted to share the plan with Momma, but Billy got mad at that idea. And then Momma died anyway. Now Donnie really IS alone. But he will not let Billy down. Time to put the plan to work. Time for Billy to rest in peace. As this story builds you will find yourself turning pages faster and faster to see if the 4 kidnapped victims will be safe or not. Same for the reporter who figures out how the kidnapping cases are related. Will the police arrive in time to save everyone or will there be casualties? The tension builds nicely, and it was a great read! HIGHLY recommend this story AND series!

I agreed with most of the reviews that I read whether they were two stars or 4 or 5. The characterization was good, the plot was good, the grammar was terrible and the punctuation was distracting. Why is the world enamored of the apostrophe these days? (Okay, here follows my soapbox). An apostrophe is not used to denote a plural; it is used to denote a missing letter or a possessive noun. Those kinds of errors, whether grammar or punctuation, are distracting. That having been said, this is the first book (novella) of the series that I have read, and I really enjoyed it. I don't usually like to read novellas (see, no apostrophe), but I found this one very entertaining. It held my attention; it didn't have so many characters that I couldn't keep up with them; and it satisfied my mystery-loving genes, even though the mystery was not

“who-did-it” type, but will the victims survive and what will happen to

the perpetrator. So I'll look for other books by the author and hope that the editing improves.

(I'm sure there are a bunch of grammar and punctuation errors in this review!)

Great Read! Jason Strong #3 was a great page turner and mystery thriller! The crime this time was a multiple missing persons case, with a few twists and turns along the way! The villain was well written and was not the typical villain, he was a lost, tortured soul! I was sympathizing with him as well, because of his motive! You don't get that in most mysteries: it is a clear cut , bad guy kills someone, good guy chases bad guy, good guy catches bad guy! Jason Strong as the detective is also a great character, he's good hearted, determined, and kind! all in all it was a great read!!

another nice clean story. Thanks to your wife for her support of your writing " Glad Vanessa had her baby and is back at work.
