Synopsis

Do You LOVE Latinas? Are Your Fantasies Full of Exotic Women with Beautiful Hour-Glass Bodies and Full, Luscious Lips? What if these women could be YOURS in real life? With The Ultimate Medellin, Colombian Pick up Guide, you can learn how to meet the HOTTEST WOMEN in all of Colombia, and watch as they move their bodies in ways no American or European women can. Situated in a narrow valley, with high-rise buildings set against a beautiful backdrop of zigzagging peaks, Medellin is the ultimate Latin American city. With weather unparalleled by any other city in Latin America, it deserves the name City of Eternal Spring. But the most beautiful part of the city isn't the landscape – it's the WOMEN! Medellin women are the epitome of feminine beauty, in flavours ranging from blonde-haired, blue-eyed Latinas to sultry, tanned, and exotic vixens. All come with hourglass figures – you WILL strain your neck from so many backward looks. Best of all, they are REAL WOMEN, and unlike their American counterparts, they are decked out in stylish, revealing clothing and sexy high heels. As a world-traveling pick-up nomad, I have gone to dozens of countries to scope out the very hottest women the Earth has to offer. Medellin beats them all as the number one destination for good-looking women. AND, I have done all the ground-work for you, giving you literally the best chances of finding and scoring the hottest girls of Medellin. Although beautiful, these women are tricky creatures and you need an experienced wingman. This Pick up Guide will give you the complete 411 on Medellin and its ladies. This guide will include: What to say and what to avoid saying What vibe you should give off Getting phone numbers Text messaging First, second, and final dates Same-day lays Best of all, I have detailed the top places to meet the fine women of Medellin. Pathetic!... Females in Medellín live on under \$300 - \$400 a month, if employed. Then come such sex tourists to prey on them especially the helpless children. Thank God for the new crackdown by the Colombian government. Hope such predators are served justice in Colombian jails.

Good overall tips directed to the Above Average Gringo who is over 6 foot tall and generally gets girls in the US... tips could be used just about anywhere in the world. Author is kind of like an amateur Tom Lykas.

I LOOOOOOVE THIS BOOK! Soo funny! I really could relate to the stories, that the author talked about, I am really into pick up and have travel to South America, Spot on about how Latinas think. I recommend this to any serious pick up travelers. I have never gone to Medellín, but I think I will take a trip from Germany to South America! Danke aus Deutschland!
