# EEK! Halloween!

## Synopsis

Boynton celebrates Halloween! A new addition to the Boynton on Board series, with over 21 million copies sold, *Eek! Halloween!* is all treat and no tricks, a journey with Boynton and her nutty characters through the tradition of Halloween. It starts with an uh-oh!—the chickens are nervous! Strange things are happening. One chicken saw a pumpkin with flickering eyes, another spied a mouse of enormous size. They all saw a wizard and a witch, and a spooky robot. “WHAT’S GOING ON HERE? WHAT DOES IT MEAN? / Relax, silly chickens! It’s HALLOWEEN!”

## Customer Reviews

The chickens know that something odd is going on. A duck wearing gigantic monster feet? Pumpkins with eerie faces? Their anxiety mounts until a friend pops up to reassure them: "Relax, silly chickens! It's Halloween." This bite-size board book is infused with the sense of whimsy that fans of the author's work have grown to appreciate. She pairs readable text in verse with winsome, thick-lined, round-eyed illustrations to create a delightful introduction to this potentially frightening holiday. Readers will love the cast of enticing creatures—a pig wearing a chicken suit, a large elephant in a mouse costume, a pair of grinning felines in wizard and witch hats, and the soft-bellied chickens (an endearingly expressive bunch, looking around uncertainly and grimacing forlornly)—each placed against a simple backdrop. Boynton maintains a slightly eerie mood but keeps everything just gentle enough to appeal to the intended audience.

**VERDICT** A great addition to board book collections, especially where Halloween titles are needed. Kids anticipating their first Halloween will be easily convinced, along with the initially nervous poultry, that the upcoming holiday is full of spooky fun. —**Mahnaz Dar**, School Library Journal

“Kids anticipating their first Halloween will be easily convinced....that the upcoming holiday is full of spooky fun.”

• School Library Journal

“The pigs are cute, and the coloring and illustrations evoke a warmth...emphasizing all the fun Halloween has to offer. An excellent, rounded effort from a creator who knows how to deliver. (Board book.

1-3) Kirkus Reviews "With humorous rhymes and boisterous, expressive drawings, *EEK! Halloween!* is a treat." The Washington Post

Sandra Boynton is my absolute favorite board book author. When I saw that she had a new Halloween book coming out, I knew I HAD to have it. Her books are so fun to read, and this one does not disappoint. As a 28 year old mom to three little girls, there's nothing better than giggling my way through a book.

Another adorable addition to our Sandra Boynton collection! My son enjoyed seeing familiar Boynton critters in costume. I enjoyed him saying "eek" in his sweet toddler voice.

A cute, but not scary Halloween story. Fun pictures of the silly chickens and different costumes.

We love the story and my daughter has asked for it each of the last 5 nights. She has even called the Eek!!! Book.

The kids love it (16 months & 7 years old). I loved it! Another great one from Ms. Boynton!

This book is right up my toddlers alley. It teaches about Halloween dressing up and spooky things in the most adorable and innocent way: through the eyes of a chicken. Both my son and I are in love with this book. I wouldn't change a thing.

My 4 year old daughter loves this book

So cute
