Best Sellers Rank: #465,454 in Books (See Top 100 in Books) #161 in [Books > Biographies & Memoirs > Reference & Collections](#) #76777 in [Books > Children's Books](#) #111502 in [Books > Textbooks](#)

Customer Reviews

Everyday Heroes tells the moving stories of thirteen real-life men and women who have faced--and overcome--serious challenges in their lives. The people in the book are not the media-created "heroes" of our sports or entertainment worlds. They are ordinary people who can be seen as heroes because they have had the courage to stand up to life's difficulties. The multicultural stories inspire students to take charge of their lives and to do their best. --From the Publisher

I have used this book for adult literacy tutoring and my students have enjoyed it. These well-written stories describe individuals who have overcome tremendous odds. Each story is unique--everyday people with all sorts of challenges such as drug abuse, language, dyslexia, and so on are profiled in realistic ways. The questions after each story are good indicators of comprehension, and the writing exercises are also very helpful. Excellent book.

This edition of Everyday Heroes is a much smaller (literally) and boiled down edition of the one that I

used in my middle school classroom. The stories included are good, but many were left on the cutting room floor. Too bad. But it's still a good buy and has many interesting and uplifting, real life stories within its covers.

Beware that the book you get is NOT the one described!!! The Table of Contents shown in "Click to Look Inside" lists 20 stories. The version received has only 13!! Under "Product Details" it says "169 pages" and publication date 1996. This ABBREVIATED version is 148 pages, published 2010.

Just what i needed. Got it pretty fast.

Good

Thank-you....Great job on the description and speed of mailing..Thumbs up.. :)

No damage!
