# Yours Truly, Johnny Dollar (Old Time Radio)

## Synopsis

Everyone's looking for a way to beat the insurance system, but most of us aren't willing to cheat it. Those who are may be ready to do more than deceive and steal—they may be prepared to kill. The bullets fly and the criminals lie, but the payoff isn't a sure thing - not when the system calls in unflinching freelance investigator Johnny Dollar! Bob Bailey stars as Dollar in six digitally restored and remastered five-part serials. Wherever he goes - whether it's exotic Algiers, the dark alley, or the darkened wings of a theater - it all comes down to money and murder. One thing's for sure, his expense account isn't the only thing that's action packed! Once again, these digitally restored and remastered episodes are available from the Radio Spirits Archives Collection, featuring re-releases on CD of some of our most popular long-discontinued cassette collections. ## Customer Reviews

I love all the old programs. I seek out all the old black and white moves, TV shows, etc. I remember, as a child, listening to the radio programs. We did have a TV, but it was before you had 100's of stations, etc. Radio was still big. I discovered Johnny Dollar after getting a satellite radio and found the old time radio station. Johnny Dollar quickly became one of my favorites. When my grandchildren are in the car with me they love listening as well. One of them said it is like having the TV in your head, you just imagine what they are doing, and what they look like.

WOW....Imagination...imagine that...LOLI found this DVD's on and was so happy. Now I can listen anytime I want. I am going to collect them all, as well as, some of the other programs.

This radio classic series is fabulous! Bob Bailey is the best as Johnny Dollar. My husband just loves listening to this!

amazing stories to keep you satisfied on long trips..... The broadcasts are on XM radio though.... when not the JOHNNY DOLLAR day, rely on the CD... CDs are somewhat difficult to remove from case, so have ready before you drive....

I drive 1000 miles per week. (Texas is a big state) and Old Time Radio, especially Johnny Dollar makes it possible.

The Yours Truly, Johnny Dollar CD is great, I love listing to those old story, and really enjoy it when am on a long road trip, makes the time go by fast, this is a great collection.

I love it but I'm kind of biased, because I love Bob Bailey as Johnny Dollar anyway.

Poor quality. Hard to hear.

This will be a Christmas 2016 present for my husband. Now, I hope that he won't see this post and ruin the surprise! If there is a way to suppress certain purchases from this information wanted e-mail that is sent out on everything I ever order and receive, I wish I knew how to do it.
