Customer Reviews

Author Suzanne Silverthorn has been a visitor, summer resident and now a full-time resident of the Rocky Mountain region.

This book is a beautiful book with really neat photos of postcards and prints. Anyone who looks at the front cover, or who opens up the book can see that there is a lot of history and old photos (the postcards) of many, many historical locations in the Estes Park/RMNP area. Absolutely fascinating book-- I could not put it down. 128 pages. A virtual tour of the region, featuring more than 300 vintage postcards and prints. Note "Illustrated with 300 historical postcards, photographs & ephemera"--T.p. ~~~~ Summary Vintage postcards, photographs, tourist brochures, etc., illustrate the scenic Circle Tour over Rocky Mountain National Parks Trail Ridge Road, through the Big Thompson canyon, the towns and rustic lodges along the way. ISBN 9780764328480 I HIGHLY recommend this book!!!! If you are into Colorado history, and would like to familiarize yourself with the

history of Estes Park and surrounds, then you will LOVE this book! In this book you will see many historic lodges and old buildings... many that were built over 100 + years ago (Including the historic Stanley Hotel.)

I purchased this book thinking it was an up-to-date tour book of a region I wanted to visit. The work 'tour' is a real deception. 'Take a virtual tour of scenic Rocky Mountain National Park, and the resorts at Estes Park and Grand Lake, Colorado' The actual book is no more than someone's slapped together collection of vintage postcards of the region. LOOK ELSEWHERE FOR HELP ARRANGING ANY UPCOMING ROCKY MT ROAD TRIP.

This is NOT a travel guide to use when planning a trip, as I had hoped. It is ,more of a historical reference book - which is fine but not what I was looking for. I wish it was explained better in the description.
