JC Etheredge has been drawing all his life. He can't remember when he started but as he says: "it was early". The author has always been intrigued and inspired by animation and comics, fascinated with the beauty of the human figure. His childhood work was primarily redrawn Peanuts comic strips with bulges and boobs. Before junior high, JC Etheredge was drawing nude Disney men in his sketchbooks. He studied Illustration at Pratt Institute, got his BFA in Communications Design in 2002 and he is currently working out of Brooklyn. "I hand draw and ink almost everything I do and can never be found without a trusty mechanical pencil or micron handy. I like to experiment with a variety of different media for color, but for the most part, I color digitally." JC is working on a number of different projects of his own creation, but currently Anti-Heroes.net, his erotic illustration website, is the primary line of focus.

These drawings draw you in like a magnet! JC's men are obviously cartoons; but their eyes and their "I-am-so-big-that-I-have-my-own-zip-code" penises just captivate your eyes (and yes; stimulate your mounting erection). There is magic afoot here!!!! My advice: BUY THIS BOOK!!!! EXAMINE THE ARTWORK!!!! TRY TO DRAW SOME MEN OF YOUR OWN!!!! Maybe YOU will become a Gay Porn comic author/artist!!!!

Wonderfully fun gay animated sex !

Just okay.

A cool book to check out and fantasize.

When first encountering JC Etheredge`s fabulous male erotic art the first response may be a bit of a jolt until you realize how much fun is represented by the superbly crafted illustrative quality of his work. First and foremost is the fact that it is funny - fun, overbuilt guys who are take offs on marvel comic characters, super guys and antiheroes. Etheredge does not confine his characters to muscle hunks but he also shares regular men with men, and men with women on buses, vying for attention, on the sidewalks, and even as wonder women being outdone by beefy heroes. These pages are filled with a blend of humor, of sensuality, and a heavy dollop of sexuality. It is like Tom of Finland gone mad, infused with humor, not only in expressions but also in situations. Whatever JC Etheredge does he does with great skill and with tremendous amount of good nature and fun! Grady Harp, February 13
