Another Faith Johnson goody!!!! I thought I was timid, but this bride has me beat!!!! You will enjoy reading this story and seeing how the bride overcome her challenges!!!

An eventful story about a young lady who was afraid of everything, she was tricked by a woman into marrying a circus performer as his Mail Order Bride. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

I enjoyed this story, the author did a great job of telling her story. The story and the characters together tell of what love and faith can do in our lives if we believe in it.
