Best Sellers Rank: #3,254,365 in Books (See Top 100 in Books) #59 in [Books > Travel > Reference > Tips](#) #8542 in [Books > Travel > Reference > General](#)

Customer Reviews

Lee Baxandall, an avid skinny-dipper since his youth as a Boy Scout in Oshkosh, Wisconsin, organized one of the first and largest celebrations of American clothes-optional beaches at Cape Cod National Seashore in 1975-76. He went on to form The Naturist Society in 1980 and authored the first edition of The World Guide to Nude Beaches & Recreation that same year. His unique and popular guide book is updated regularly; the 1998 release is the fifth edition. More than 350,000 copies have been sold. --This text refers to an out of print or unavailable edition of this title.

This book arrived in new condition, it was very well presented and informative. It also contains important notes of information about the various site referred to in this book. Compared to other books on this subject I have found this is the most informative.

This is a great vintage guide. The basic information is good. It simply needs to be updated.

I lived with a woman in a nudist apartment complex in Las Vegas Nv. We went to several places in Nevada and California, the book was incredibly accurate

Great

The book has to many places that don't exist any longer. But it is really my fault as I didn't pay attention to the date of it(from the 90's, about 25 yrs ago)

Every spot that the book recommended that I visited (Kauai, West Indies) were no longer clothing optional or not friendly. A waste of money.

This is the second time I've purchased this book because I gave my first copy away to a friend. It's a great guide!

nice book but the info is old and outdated. so you better be sure your allowed to drop your pants before you do. other wise you may find a bunch of old ladies yelling for help or even worse laughing at you
