Customer Reviews

"I get more positive feedback about this book than any that we have previously used. It is rare for students to comment about the textbook on class evaluations, but they do that with this book." "With HIST, students can develop a working knowledge of the key individuals, events, and ideas of the past and begin the process of thinking historically: understanding the historical context; studying causation; making connections; seeing why it matters on its own terms and as an influence on contemporary life. The writing is clear, the layout is alluring, and the focus is right on target."

Kevin M. Schultz is a professor of history at the University of Illinois at Chicago (UIC), one of the most diverse campuses in the country. With specializations in American religious, ethnic, racial, and intellectual life, he is currently president of the Society for U.S. Intellectual History. His most recent book, *BUCKLEY AND MAILER: THE DIFFICULT FRIENDSHIP THAT SHAPED THE SIXTIES* (W.W. Norton & Co.), came out in 2015 and was an .com #1 New Release in American History. The book was then reviewed widely, including in *The New Yorker*, the *Wall Street Journal*, *Esquire*, the

Chicago Tribune, the LA Times and dozens more venues. His first book, TRI-FAITH AMERICA: HOW POSTWAR CATHOLICS AND JEWS HELPED AMERICA REALIZE ITS PROTESTANT PROMISE, was published by Oxford University Press in 2011, and his essays have appeared in THE JOURNAL OF AMERICAN HISTORY, AMERICAN QUARTERLY, THE JOURNAL OF THE AMERICAN ACADEMY OF RELIGION, LABOR HISTORY, and several other venues, popular and academic alike. An award-winning teacher, he received his B.A. from Vanderbilt University and his PhD from the University of California, Berkeley.

This was a fairly good deal, please note, however, that if you're taking HIST 1 and HIST 2 in the same academic year, the first course code will work through both. I was not aware of that, so I spent a bit more than I should have had to. Also, there IS NO COURSE MATE INCLUDED!!! I had to buy one separately.

I read the book and Aced all exams and quizzes thrown my way. The book cuts out a lot of content and leaves you with the most important bits of history and how it was important. I hated history as a child but I learned quite a handful of information I wouldn't have learned without this book.

Comprehensive and easy to read. A requirement of a college course I took, but ended up reading the parts not required a couple of years later out of interest.

This book was in great shape and did the job in the classroom. I won't purchase books from the bookstore again. Thanks.

Do yourself a favor and order a new copy with the access code for the web based student portal thingy (invaluable). I'm really enjoying learning all of the History I thought I know. I have it for a class, but I'm also sharing the information with my nine year old and even she is enjoying the information and some of the web based tools.

Great buy. Cheaper than the school book store. Saved time and money.

Very great book with easy reading and nice pictures throughout. This book was perfect for me as I am a student and helped with my history 102 class. Very straight and to the point on topics throughout this book.

Loved this textbook. I actually considered keeping it but decided I need the money so sold it back.
Great read though! Really puts things into perspective.
