# Will Power! A Biography Of Will Smith

## Synopsis

Hip, flip and smart as a whip, Will Smith is living the American dream -- but it didn't come easily and it wasn't free. Turning down a scholarship to M.I.T. in order to pursue his music career, he rapped his way to Grammy-winning fame and fortune before he could vote. He talked his way into a TV series before his 21st birthday. And then, he got serious -- as in a seriously successful, stereotype-smashing, big-screen star.

Love! Love! Love! This book and Will Smith!!

I read this book at a difficult time in my life. My mother had died days before, and I was sitting in the closest weeping, when by my foot lay a copy of Will Power! I wiped away the tears and began to read, expectantly, looking for answers. I was inspired and enraptured to say the least, and my life suddenly took on new meaning. I could breathe again, I could sing again. I began to rap involuntarily. I could not stop rapping, until musical ecstasy permeated every pore of my being. I was liberated at last from the sorrows of my recent loss. Thank you Will Power! for changing my life forever.

I LIKE THIS BOOK!! Oh yeah by the way Sammy Sosa is going to win the homerun chase. He is going to kick Mark McGwire's behind back to Oakland where he belongs. Sammy deserves to win he doesn't take steroids he takes Flinston vitamins. GO SOSA!!
