Hellcat In Chains (A Gunsmith Western Book 427)

Synopsis

The last thing Clint Adams expected was to be captured by a bounty hunter – especially a sexy lady one! But no one could hold Clint for long, especially when he set his mind on escape. Still, not all was as it seemed. The beautiful Becca wanted the prestige and money that went along with capturing Clint. But Clint wanted something, as well – to use her to get closer to a ruthless gang of kidnappers who also worked as bounty hunters. What followed was a game of cross and double-cross as each fought to get what they were after. The trail they followed was one of intrigue, passion and gun-swift violence. But how could they hope to get their hands on their prey when they could barely keep their hands off each other?
