GUIDE IN A NUTSHELL How To Make Your Child Love Going Potty (HOW TO TEACH A BABY Book 3)

Synopsis

Potty training a young child is a long process which can be frustrating, infuriating and leave you at your wits end. You don't have time to read endless books on the subject and try to get inside your child's head. What you want is something short and concise, which gives you all the facts in one place. *How to Make Your Child Love Going Potty* is a new book which is part of The Magical Power of Parental Love series. In this book, you will find all the information you need to successfully potty train your child. No fuss, no drama, just good old-fashioned common sense, written in a style which is easy to follow and digest. If you are a parent with little or no time to spare, but need to potty train your child without losing your sanity, this is the book that will make it happen. You can also find other great titles in this informative and helpful series. Look for *How to Teach a Baby to Fall Asleep Alone* and *How to Create Order in Your Child's Room*. They can make all the difference when it comes to saving time and getting parenting right.

Customer Reviews

Might be a good book if you have no experience w/potty training. Can't really see the value for older toddlers. But might work for younger toddlers.

This is exactly what i needed. Short read and only important informations. Great idea - guides in a nutshell - perfect for busy parents!

Perfect book for potty training! It was short and seemed to be going in the right direction!
