# Medieval Medicine And Disease (The Library Of Medieval Times)

## **Synopsis**

With no scientific knowledge to guide them, people of medieval times believed that diseases were supernatural phenomena or punishments from God. Thus medical treatments were usually primitive and often horrifying. But little by little, knowledge grewultimately leading to a more practical and scientific approach to understanding sickness and ways to treat it.

## **Book Information**

Product Dimensions: 0.5 x 6.8 x 9.2 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,819,425 in Books (See Top 100 in Books) #86 in Books > Teens >

Education & Reference > History > Medieval

## **Customer Reviews**

Gr 7 Up-Drawing on documented primary sources and modern scholarship, these well-written books separate fact from myth and give readers a detail-rich glimpse into life during the often gruesome Middle Ages. Books are primarily focused on Western Europe, and authors describe both the rigid social and religious structures and the ignorance and brutality that were hallmarks of medieval life. They also explain how innovation and expanded trade with the Middle East brought gradual change, especially in weaponry, warfare, and medicine. Texts are supplemented with sidebars that provide longer primary source excerpts and additional information about related topics. Illustrations, which include a single map of medieval Europe and color reproductions of period art and contemporary photos of locations and weapons, add little. These books will help readers and report writers understand the reality of medieval life. Good choices for secondary libraries.Ã  (c) Copyright 2014. Great book. Quick shipment. Very satisfied.
