An Introduction To Catholic Ethics

Synopsis

This book introduces students to the fundamentals of Catholic moral theology. By presenting testimony from the lives of great Christians and many of the key concepts that inform the Catholic approach to morality, this book provides a framework for making authentic Christian choices. NCEA Our titles help all catholic educators and administrators have the professional resources to meet the highest standards of excellence in Catholic education. We provide resources for school, parish, diocesan offices, professional organizations and higher education institutions. Some of the areas we publish in include: Administration and Planning Classroom Materials Legal Issues Staff Development Governance Boards Religious Education Research and History Recruitment Curriculum Development Seminary Education Multicultural Issues Technology

Customer Reviews

Pretty good overview of the Catholic moral tradition by Professor Andrew Peach and Fr. Lucien Longten SJ, longtime theology teacher at Gonzaga High School in Washington DC. It covers everything from Aristotle and Aquinas to more contemporary outlooks in a generally readable fashion. The biggest drawbacks are the dated pop cultural references from the late 1990s and one questionable ethical call on the issue of abortion, where the text departs from Catholic teaching to suggest an acceptable way of letting a pregnancy be terminated. Without denying Catholic teaching on contraception, the text also points out that certain scriptural passages should not be used in reference to contraception, undermining the Catholic teaching a bit. Overall, a pretty good text, but it goes off the rails a bit when it tries to tackle current-day ethical dilemmas

Great! thank you!

While a bit stolid and sometimes outdated in terms of examples (eg MASH references) the book covers all the basics clearly. The end-of-chapter selected highlights are very helpful.

Completely satisfied.

Received what ordered.

It helped me for my class in Christian ethics, even though it's pretty preachy.

School book

Just the book I needed.
