Titanic #1: Unsinkable

Synopsis

The ultimate action/adventure trilogy begins, with #1 bestselling author Gordon Korman plunging readers into the heart of the Titanic. The Titanic is meant to be unsinkable, but as it begins its maiden voyage, there's plenty of danger waiting for four of its young passengers. Paddy is a stowaway, escaping a deadly past. Sophie's mother is delivered to the ship by police - after she and Sophie have been arrested. Juliana's father is an eccentric whose riches can barely hide his madness. And Alfie is hiding a secret that could get him kicked off the ship immediately. The lives of these four passengers will be forever linked with the fate of Titanic. And the farther they get from shore, the more the danger looms. . . .

Customer Reviews

Books 2 and 3 were donated to the library I work at. I love most things Titanic and I love mysteries so I took the books home, ordered book 1 and waited for it to arrive. I read all three in one sitting once book 1 arrived. It's a good series, excellent for kids in grade 7 and up and parents will like it

too.

We needed entertainment on a long trip. This more than sufficed!

A nice twist on the historical story from the perspective of teens on the voyage. Well written enough for adults to enjoy too. The details seem factual within my knowledge base and care is taken to keep characters from being two dimensional. The story is interesting, a good mystery. Be sure to check out parts 2 and 3.

Part of a trilogy. Needed this to complete the set.

Author Gordon Korman offers just the right blend of humor, intrigue, mystery, and suspense in his adventure trilogies. The most important author of young adult fiction writing today.

I ordered this book for my granddaughter, she needed it for a class she was taking, the book came on time and my granddaughter loved it

arrived on time and as expected

Great
