Mabel And The Cloud Dragon

Synopsis

This is a rhyming picture book about mistaken identity. It is also the sequel to "Mabel and the Sock Pirates" by Elwyn Tate (we recommend you read that one first). It was a fine and sunny morning on Mabel's magical farm. The chickens clucked cheerfully, the cows moo and munched, and the bees buzzed busily by. BUT!!!... Then something strange started to happen. Someone or something kept moving Mabel's sheep around. Who could it be and why were they doing it?

Customer Reviews

This is my favorite book by Elwyn Tate so far! I love the rhyming rhythm, the story and the illustrations are adorable. I was a big fan of the first Mabel book and I hope to see more in the future.

I love the pictures, but I didn't enjoy the story as much as the other books by the author. My five year old liked it, though.

I loved the first Mabel book with the pirates. This book drags on and isn't as exciting.

I read and reread this to my 6 year old granddaughter, and she loved it!!

Another great little book by Elwyn Tate. We have several now and they never disappoint us.
Beautiful, unusual and charming.

Great book.

I adore these Mabel stories. They are so sweet, and perfect for bedtime.

Cute book
