## Customer Reviews

Holy cliff hanger. I loved seeing the Cross sisters back together again and of course in trouble again. This one was all about Fancy and did not disappoint. Love is spreading since Calico and Dane walked down the aisle. Danger is also spreading for all the sisters. This one left a giant cliff hanger and I can't wait to find out what happens next.

I read Calico Cross when it first came out 2 years ago and I fell in love with the characters. Tender Crossing was a great read. I loved Fancy and Blue! Having the sisters back in another great book

was amazing. I honestly could not put this book down and what a cliff hanger! I can't wait to see what happens on book 3.

What can I say another great read from DeAnna Kinney, this 2nd book in the Cross Series, Calico is now married to the handsome Dane Savage and Fancy has feelings for Blue, I really enjoyed this book, especially the relationship the sisters have. I hope we see more of the twins' ghosts, we miss them around helping the girls out. Overall this series has you on your toes and I couldn't put the book down. Can't wait to find out more in the next book so thanks again to DeAnne Kinney to give us a copy to read and review which was brilliant you are a gem thanks.

Love this book! Love the sisters' interaction and closeness they share one with another. Love the conflicting feeling and how they are worked out. Can't wait to see what happens in number three of the series. *Download to continue reading...*
