Dungeon Master's Screen Reincarnated

Synopsis

MASTER THE GAME with this indispensable tool for the world's greatest roleplaying game. Lost is the poor soul borne aloft in the grip of the ancient red dragon featured in a spectacular panoramic vision by Tyler Jacobson on this durable, four-panel Dungeon Master's Screen. The interior rules content on this new screen has been revisited and refreshed as a direct result of feedback received from D&D fans everywhere. The screen's landscape orientation allows the Dungeon Master to easily see beyond the screen and reach over, even as it keeps die rolls and notes hidden from players. Provides an at-a-glance reference for the most relevant and often used in-game information, equipping Dungeon Masters of all skill levels with essential support. An excellent resource for new and existing Dungeons Masters to facilitate inspired adventures and an engaging play experience. The leader in providing contemporary fantasy entertainment, Dungeons & Dragons is the wellspring for the entire modern game industry, digital as well as analog. This newest edition draws from every prior edition to create a universally compelling play experience, and exemplifies the true spirit of a game that holds captive the hearts and minds of millions of players worldwide.
