I am a huge butterfly lover and this book "rocks"! I am going thru the entire book page by page and coloring each and every picture in this amazing book! This is by far the best butterbook that I have ever purchased where I can enjoy coloring each and every picture in this lovely book of butterflies!Ann Smith (Annabananna)

Boring to color. Only colored a few pages. Not challenging at all. Too much black, not enough picture.

Thought i would like this but not so much. I just think it could be better. The pictures are way too plain.

Love the black background and the butterfly designs. One of my all time favorites.

its nice just not what I expected

I absolutely love this coloring book. The first page is my favorite! I have nothing wrong to say about this book. Promise you that you will love it and not be disappointed.

Really awesome, only rated it 4 stars because I'm gonna have to pay to have it spiral bound.
