## Customer Reviews

I can't tell you how interesting this book is. If you are honest with yourself and answer the questions enclosed in the book, you will not only find some amazing things about yourself, but also find a way to fix the areas you may be lacking in. Shalu Sharma has thought of everything with her questions. They are an in depth look at one's self. I agree with the author that keeping a journal is important and she has made the task an easy one with this carefully laid out journal. That part of the job is done for readers and it is a fun and introspective journey to answer the questions. The author has thought of everything and readers are going to love the challenge of coming up with the answers and take an honest look into their own lives.

Very helpful.

Not what I expected. The questions are not as deep and meaningful as I had hoped.

Love it

Definitely nothing new or special about this journaling guide..... but if a totally blocked, or a new writer this could be very helpful.
