Customer Reviews

A very good book for beginners. I found it covered the basics quite well (e.g. grip, practice etc) and also acquiring the right mindset for this game. Will refer back to this useful reference guide in the future.

have found this a very useful coaching tool. Very useful to get into the zone and reminds you of the things you need to reflect on before a game GREAT

The book is well done and informative. I received the book in a timely manner. No complaints. You really ought to try lawn bowling--sort of fun.
