Lil' Mama Fell In Love With The Plug 2

Synopsis

Now all the cards have been laid on the table in the first installment of Lil Mama Fell in Love With The Plug or are there more surprises in store for Yvette and Raheem? One would think that after Terri and Rhamos's deceitful ways had been exposed, that they would have folded and conceded the win to Yvette and Raheem. However, that would be too much like the right thing to do for Rhamos and Yvette with their envious spirits. Real truths are exposed in the finale of Lil Mama Fell In Love With The Plug, however in all truths its always the person's truth, their opposition's truth and somewhere in the middle lies the absolute, uncensored truth. People always claim that they want someone to keep it 100% with them, but in the final installment, we will see if Yvette and Raheem will be able to handle this situation we call truth. Get ready to take this final ride with Yvette and Raheem to find out how Lil Mama Fell In Love With Plug, and if their relationship will be able to handle the consequences of what the characters have formed as their truth. One thing is for sure, though, Jabba and Tee always serve their truth with no lemon or sugar. Will Yvette and Raheem be able to handle their truths with no sugar coating or will they let it destroy what they have worked for?

Just as good as the first book. Definitely a page turner, I never saw this ending like it did.

5.0 out of 5 stars

Loved it!!! So glad Yvette didn't let Terri run her off with all her foolishness and she finally tagged her real good, lol. Tee and Jabba are throwed off, I love Tee, 'my hands not pregnant'. I can't believe Big R killed himself and Terri, but he was right, she was never gonna stop interfering in Heem's and Yvette life.

Raheem and Yvette had some craziness going on. His ex and his daddy were doing way too much for me. You have to be crazy as hell to still want someone after his wife has beaten you up and scarred you with relaxer lol. I'm glad that even under the crazy circumstances, they were able to continue to grow in their love and finally be happy. I wonder with that ending if we will get a book about this Serrion Lewis.

Yes i loved this series Toy you did your thang on this. Terri was out there frfr. Raheem handled his situation well, if i must say so myself. Vette get much respect now thats a ridah. But when the person who takijg over was being described my heart started pound and when his name was said i started cheering. I can't wait to read that series. Loved it

Yesssss this was such a good book. I loved the characters and their story line. The book was good from start to finish definitely a page turner!! I definitely recommend this book!!

I was waiting on part 2 and you didn't disappoint. I'm glad Yvette and Raheem got there happy ending!!! Jubba and Tee were made for each other!! I can't wait for the other story!!!!

Terri just couldn't see past her nasty ways. She needed to let Raheem and Yvette be happy. I wished Rahmos would of did things differently. Jabba and Tee had me laughing.

It was alright but not as good as 1!!! I didn't like the ending though! It should have ended with Tee n Yvette having they babies n everybody had they happy ever after!!!
