These are really great maps.. They are clear and large enough to read easily and they have the little unnamed streets in dotted lines and a good index of places. I had a previous edition and decided to update because of new construction on the island .. I was glad to see that the format is the same... I am sure this one will be as easy to use and helpful as the earlier one.

Great Atlas of Maui roads. I only wish it was more recent.

Best detailed map I've found yet.
