Best Sellers Rank: #4,820,444 in Books (See Top 100 in Books) #47 in Books > Travel >

Australia & South Pacific > Micronesia

## Customer Reviews

Book by Hinz, Earl R.

good solid information of the type that used to be written before pictures and advertising became the primary selling point of guides. The data has not been updated, but all the basics are there. This is the type of book I would study before leaving to make a sailing trip.
