Escape To Hope Ranch: A Montana Heat Novel (Montana Heat Series, Book 2)

Synopsis

A Montana man always protects the woman he loves. He discovered her during a Montana blizzard, freezing cold, impossibly vulnerable, a little boy by her side. Undercover DEA Agent Beck "Trigger" Cooke is astonished to recognize Ashley Swan -- award-winning actress, famous beauty -- and missing for over a year. To keep her and the child hidden from a sadistic madman, he secrets the pair away to his isolated home. No longer a prisoner, and protected at Hope Ranch, Ashley recovers and learns the tall, tempting federal agent may have a dark past, but it hasn't destroyed his sense of honor. As they shed past roles and find common ground, Ashley and Trigger can't help but fall slowly, carefully, in love. But danger still lurks outside the boundaries of Hope Ranch, for until her crazed captor is brought to justice, and Trigger's undercover past is laid to rest, none of them will ever be truly safe

Customer Reviews

"Villain Brice Mooney is cruel to the extreme in Ryan's latest, but *Montana Heat: Escape to You* shows off an excellent portrayal of love and salvation. Emotions run high as Trigger and Ashley grow closer together. She views him as her savior in this first-rate portrayal of romance." (RT Book Reviews) "[...] as always, Ryan doesn't disappoint." (Kirkus Reviews) "Ryan's fans will applaud the action, embrace the newcomers, and eagerly await the next in the series." (Publishers

Weekly)“Ryan’s suspenseful, contemporary western romance, the first full book in her Montana Heat series, will keep readers turning the pages.” (Booklist) --This text refers to the Mass Market Paperback edition.

Jennifer Ryan is the USA Today bestselling author of the Hunted series, the McBrides series, Montana Men series, and Montana Heat series. She writes suspenseful contemporary romances with outrageous plot twists, deeply emotional love stories, high stakes, and higher drama. Her stories are filled with love, family, friendship, and the happily-ever-after we all hope to find.

Jennifer Ryan is on her game with this newest addition to her Montana Heat series. It’s an intense ride right from the start as we find beautiful missing actress Ashlely Swan being held against her will by a mad man. Desperate to escape she takes her chance and sets out into a blizzard with a small child she is determined to save with barely enough strength to put one foot in front of the other. Close to death, Ashley and little Adam are discovered on his remote property in Montana by wounded DEA agent Beck Cooke. As he takes Ashley and Adam into his home and learns their horrifying story, he finds his heart and soul slowly beginning to thaw. After years of working undercover pretending to be someone he’s not, Trigger is a shell of his former self... until these two lonely and broken people touch him in ways he never thought possible. This is a rich and satisfying love story because both Beck and Ashley have been through hell and it’s only by letting each other in that they slowly begin to see a life worth living again. With Ashley’s maniac abductor determined to get her and Adam back, Beck has his hands and his heart full and vows to protect them with his life. Knowing he has his own demons to chase with a drug lord from his past determined to take him down, Ashley and Beck will have to risk it all to have it all and it’s a heck of a ride for the reader! The novella Montana Heat: Protected by Love is the intro to this series and is also worth reading. Five stars for Jennifer Ryan and Montana Heat: Escape to You.

I haven’t read a Jennifer Ryan book that I didn’t fully enjoy! Glad to see Trigger/Beck found his HEA. These books are always a great stand-alone or you can read them in order to get the most from the story and other characters. Montana Heat is just as good as the Montana Men, The McBrides and the Hunted. I have read them all several times and look forward to each new release!

This book was amazing. I couldn’t put it down. The things Ashley went through chilled me. Poor little Adam, suffered too. So glad Trigger/ Bart was there to help them both. The action and suspense

was remarkable. Can't wait to read more of your books.

As always a pleasure to read a well written book. A good storyline and excellent character development. I am a big fan. Love her books.

Jeez what she goes through ... she is seriously lucky to be alive! Trigger ... or as his family calls him ... DAMN ... JUST ... DAMN.

Jennifer Ryan is my favorite writer! She can do no wrong all her stories are my favorite. This book was amazing. 5 stars for sure.

Another amazing new series by Jennifer Ryan. Again she has you hooked from the beginning. Plenty of suspense and romance.
