Customer Reviews

This book, the second volume of leadership lessons by author Will Peters, puts the spotlight on six great political leaders whose lives offer lessons for people who aim to lead. Every leader is unique, and these six "Winston Churchill, Dwight Eisenhower, John Kennedy, Margaret Thatcher, Ronald Reagan, and Abraham Lincoln" each faced his or her own problems and found creative ways to deal with them. But they also shared qualities vital to any leader, and their stories

will both inspire readers and teach practical ways to succeed and win loyalty. There are a great many lessons here. For instance, both Reagan and Kennedy show that wit and eloquence are not just natural gifts, but skills that can be cultivated. Thatcher and Eisenhower prove how important it is to be tireless at the jobs nobody else wants, to make yourself indispensable to your bosses on the way up. You can even learn from the mistakes these leaders made. Highly recommended.

Will Peters's book of leadership lessons from some of the world's most admired statesmen and women comes at a time of dismay and frustration in the United States. In it, I found hope that good people prevail in the end. I also found many useful insights into leadership that I can apply in my own life and work. My two favorite chapters in the book were about Ronald Reagan and Margaret Thatcher. Both, at times, persevered against the odds, but both always stayed true to their beliefs. This well-written book won't disappoint.
