Great Products ... Great Shipping ... Great Seller . A+++++

6th part to what I believe should have just been one book.

Great reading! !!!!!'

Very happy that you provide this series.

Norse mythology at it's best

Good product!

These are great stories, by some of my favorite authors. I would recommend this to any mythology fan or anyone interested in learning of viking culture, religion, and sagas. I must comment the picture depicts 6 separate books you get one large book (i was a little disappointed by this but its a great read).
