Kids' Travel Guide - Italy & Rome: The Fun Way To Discover Italy & Rome-especially For Kids (Kids' Travel Guide Series)

Synopsis

It's a travel guide and activity book in one! Enjoy a new family adventure in Rome, Italy! With Kids' Travel Guide to Italy & Rome the kids enjoy fun facts, challenging tasks, useful tips, coloring pages and exciting quizzes. There will be no boring moments in your vacation! Your kid becomes a little expert about Italy: its geography, flags and symbols, and interesting history, as well as Italian culture including customs, language, and even Italian food. Your little tour guide will take you through Rome attractions and much more. Be sure to visit the best sites for kids: The greatest Colosseum, the famous Roman Forum, the amazing St. Peter's Basilica, and many magnificent piazzas and fountains plus all the fun things to do in Rome! From planning and packing to returning home. The Italy & Rome travel guide helps the kids to get prepared at home. At the end of the trip, it will become a souvenir of your travel that the whole family can treasure for a lifetime. You, the parents! All you need to do is to find an available bench and relax your Rome vacation while you enjoy your active children. You can also purchase books focusing on the city of Rome or the country of Italy separately: Kids' Travel Guide to Rome all about Rome and the best sites for kids. Kids' Travel Guide to Italy all about Italy, no matter which area you visit. More adventures with Kids' Travel Guides to the Spain, Germany, Australia, USA, New York, San Francisco, Los Angeles, San Diego, Washington, DC, France, Paris, United Kingdom, London, Thailand, Bangkok and many more destinations! Now available for e-book readers too! Kids' Travel Guide to Italy & Rome is an interactive travel book that includes quizzes, tasks, coloring pages, a travel diary, and much more. While the print edition provides the most complete experience, you can now combine it with the e-book to engage kids fully. Take advantage of this special offer: Download the e-book FREE with the purchase of the print edition! Go to the FlyingKids website and get more free activities, gifts and special offers

Customer Reviews

I am very impressed with this series of books and think they are perfect for my 10 and 8 year old sons. It really covers the basics like language, money, food and culture then goes into detail about the main tourist sites we are going to visit. I love that it is interactive so the kids have to fill in pages, and there are challenges like find a statue and take a photo with it. The book is really going to help them learn about the culture and places they are visiting. -lat1970 We d been to Italy before, but our young son hadn t. We wanted him to fall in love with the country as much as we did ... Thanks to this book he already loved the idea of Italy before we even arrived. Completing the pre-travel activities helped him to understand more about the trip AND kept him quiet giving us space to pack! Throughout our holiday the book was never far away, and he soaked up the information like a sponge. Not only did it give him lots of fun on vacation, but also taught him many things. Good job! -Em Davies Great Travel Guide! Received this guide as a gift and we were pleasantly impressed by it's attention to detail and colorful design. Although created for kids... I have to tell you as a grown up I was quite amazed by the destination & interest points. I love the Q&A for the kids and tips for us parents! An absolute fun piece to have and cherish for any trip for your family and your kids!! --csGreat resource for kids and their families traveling to Italy and Rome.The book is fun but really teaches kids a lot about the history, geography, and culture--including gladiators, popular sports today, famous art, and food. Covers the best sites for kids in Rome, including places especially for kids. Engages kids by giving them fun tasks and challenges to complete at each site--and includes games the whole family can enjoy. --Reader Susan

A premium edition of the Kids's Travel Guide to Italy & Rome. All about Italy, especially for kids: its geography, flags and symbols, and fascinating history, as well as Italian culture, food, and even some useful word in Italian. Everything about Rome: its relevant history, Rome map, transportation system, and many fascinating facts, and things to do in Rome. Leonardo, your kid's tour guide, will take the kids to the famous Rome attractions and make it interesting with fun fact, "juicy information," quizzes, special tasks, kid's diary, and coloring

pages. You, the parents, are invited to participate, or to find an available bench and relax your Rome vacation while you enjoy your active children. When you return home, the Rome guide and diary will become a souvenir of your travel that the whole family can treasure for a lifetime. Fun, educational, interesting and engaging your kids in the family vacation. You can also purchase Italy book or Rome book separately: - Kids' Travel Guide Rome - all about Rome and the best sites for kids. - Kids' Travel Guide Italy - all about Italy, no matter which area you visit. To get promo code and special offers go to theFlyingKids.com FlyingKids makes your family travel more fun, enriching, and unforgettable.

We are traveling to Italy this summer so this book is a fun, interactive way for my daughter to learn about what she will be seeing. There are short answer, fill in the blank and coloring activities. It offers details about Italy and Rome. It doesn't have a lot of city information outside of Rome. I would like to see a bit more, but for my purposes what it offers is enough. My daughter is almost 8 years old.

Very good resource if you're preparing for an overseas trip. Pictures, activities and questions throughout. Good quality. I bought these thinking it would be good for my 12 yo son. It was little below him though. We will still use, but would recommend for up to 10 yo.

The book is interesting, but I felt that rest of the Italy is not covered in as much detail. I would have preferred to have a couple of pages dedicated to each city, e.g. two pages for Florence, two for Venice etc. rather than an overall view of Italy. The guide for Rome is done really well.

Looking forward to using it on a future vacation. Already learning a lot! Got it for my Granddaughter. I like it!

My kids are super excited about our future trip, and this book will nail down the history!

My son is enjoying reading this book.

I am very impressed with this series of books and think they are perfect for my 10 and 8 year old sons. It really covers the basics like language, money, food and culture then goes into detail about the main tourist sites we are going to visit. I love that it is interactive so the kids have to fill in pages,

and there are challenges like find a statue and take a photo with it. The book is really going to help them learn about the culture and places they are visiting.

Great kids book.
