This story blew me away! I loved it!! It's the first thing I've read by this author but it definitely won't
be the last. The ending couldn't have surprised me more!

Mothers-in-law are all a pain! But what happens when they may be killers as well??? Ms. Rose
gives us a little taste of that in this short story!

Really enjoyed this story. Normally I don't do short stories, but I'm glad I did. Worth reading with a fantastic ending. Well done, Willow .

Loved This book it starts with a bang and just gets better with every page. I don't know how Mrs Rose does it but she has another winner.

I could not put it down. Such a fast read. WONDERFUL. Had me hooked to the last line. I never guessed the ending such a surprise. Great quick read Willow Rose never disappoints

The story was okay as far as I got, but I stopped reading because the writing was elementary. There was no sense of character or place.

Talk about get sucked in. Yes, me. I was so on the side of the real culprit. What an author. I love willow Rose"s books. Never disappointed.

Wow, just wow! I absolutely loved this book and I never predicted the ending. Love all of Willow Rose's books, such a great author.
